

# 30's Playtime 2015

## Chloe's Closet

If "vintage is the new modern" and "everything old is new", Chloe has the hippest closet in the neighborhood. Whether these classic 30s Reproduction prints are mixed with a single solid color for a timeless vintage look, or mixed with the popular "low volume" prints of modern quilting, the clear colors and whimsical prints of this collection will keep you playing all day.
