

FLOWER GARDEN GATHERINGS

Bloom where you are planted...

PRIMITIVE GATHERINGS

Color your life – and your quilts – with the vibrant colors of a flower garden. A primitive garden! The colors are **Poppy** and **Marigold**, **Aster** and **Peony**, and the prints are small-scaled. Use them for the small piecing I love or for bold bursts of color, and for adding a bit of color to a scrap quilts.

To give my garden the foundation it needs to bloom, we've used my favorite muslin shades of **Tallow**, **Paper Bag** and **Pie Crust** and created Flower Garden Backgrounds. These shirting-like prints are the sort that I'll use for years to come, they're like "heirloom seeds"... or the seeds for my heirlooms and yours.
