Laundry Basket Quilts
prints & batiks

LBQ 0281 or LBQ 0281G—Common Bride Quilt Size: 86" x 86"

Just like a lover expresses their feeling on a piece of paper, a quilter reveals theirs in creating a blanket of love. Choosing perfect fabric colors and stitching them together into a design that reflects feelings and emotions that connects the creator with the recipient. Passionate reds, dreamy blues, and fruitful greens are some of the combinations in this collection, and let's not forget those misty lights that are like our minds when we are head over heels in love! This collection will make it easy for anyone to express their feeling through quilting.
